

# Problem-Free AV over IP Installation

## HOW IT WORKS:

STEP  
**1**

### SYSTEM DESIGN

Receive a detailed, professionally engineered & customized design & drawings for your Atlona Control System.

STEP  
**2**

### HARDWARE

Purchase Atlona OmniStream™ and Velocity™ equipment from ALMO.

- **1 Purchase order**
- **No hassles**
- **All backed by our best-in-class return policy**

STEP  
**3**

### ONSITE INSTALLATION

Commissioning services and training provided by an Atlona certified engineer on location.

- **Dedicated engineer**
- **Configuration and validation**
- **Complete documentation**
