

Increase profits, not inventory.

Introducing the **Elite Protection Plan** from CentricitySM

Offer your customers added value and increase your margins by offering flexible and comprehensive extended warranties.

Give your customers added value and increase your margins by offering flexible and comprehensive extended warranties. Centricity's **Elite Protection Plan** covers full replacement value of the product after the manufacturer's warranty expires. The plan covers 100% of parts and labor costs and choice of standard or premium **Removal and Reinstallation Benefit** options. We also offer an **Elite On-site Upgrade** for convenient, on-premise service and repair.

Benefits to your business

- Increased profits on displays and other electronics
- No added inventory to tie up credit lines
- 24/7/365 support from Centricity's call center
- Convenient online portal for tracking warranties, saving you time and paperwork
- Higher margins and happy customers

Benefits to your customers

- 24/7/365 support from Centricity's Customer Care Team
- Superior repair services through our large national network of pre-screened service providers
- Removal and reinstallation service for products repaired off-site
