FW-55BZ40H BRAVIA 4K Professional Display

10 LASER PROJECTORS = 1 FREE BRAVIA PRO DISPLAY

Sony's [VPL-PHZ12](#) establishes a new benchmark in projector performance. At just \$2,499 US MSRP, it combines 5,000 lumens, WUXGA laser efficiency and our exclusive Intelligent Settings for simplified setup - automatically tailoring brightness, color and cooling for your specific application. And when an end user purchases ten (10) VPL-PHZ12 projectors by February 28, 2021, they get a 55" BRAVIA® Pro 4K professional display - a \$1,389 US value - FREE. So, act now. While the projectors are durable, the deal won't last.

- 5,000 lumens color brightness
- WUXGA (1920 x 1200)
