Our new, feature-rich Pro BRAVIA® tuner models easily deliver content from any source with stunning color and clarity, making them ideal for specific applications in businesses, schools and universities, healthcare, entertainment venues, public spaces, and retail stores.

The FWD-55X75K*/FWD-65X75K and FWD-75X80K/FWD-85X80K Pro BRAVIA tuner models bring intelligent TV processing technology that reproduces over a billion accurate colors, resulting in picture quality that is natural and precise. And even better -- they bring the most advanced built-in tuner and video processing features you need to ensure that content from virtually any source is easily accessed.
Every kind of content, easily to your screen – with a more spectacular viewing experience

The new Pro BRAVIA Displays – with built-in tuners – deliver. Both support Google TV**. And both models include a 3-year professional limited warranty, to keep you up and running.
